

# CERTIFICATE

## OF COMPLETION

*This is to proudly certify that:*

*Charlotte Pizarra*

participated in the EURAXESS Science Slam China Science Communication Training that took place from 11 March – 8 April 2021. The training took place online in five separate weekly sessions covering the specifics of communication tactics for researchers and scientists; stage performance and public speaking, including how to use body language and voice control; how to generate creative pitch; how to engage with audience online; as well as how to participate in Science Slams.

The trainee took part in 1 of the session resulting in a silver certificate.
